On 23 May 1974, the President of the Security Council issued a note (S/11296)11 stating that on 22 May he had addressed the following letter to the Secretary-General:

"I wish to refer to the progress report on the United Nations Emergency Force which you transmitted to the Security Council on 20 May 1974 (S/11248/Add.3)11 concerning the request of the Irish Government for repatriation of the Irish contingent now serving with the United Nations Emergency Force. You noted in that report that the Government of Ireland had indicated that it would send suitable air transport to the area in order to carry out the repatriation operation. You added that the Commander of UNEF had reported that in view of the situation he was making arrangements for the Irish contingent to be relieved by the Nepalese battalion which had been acting as Force reserve.

"After having informed the members of the Security Council of the situation and after having consulted with them, I am now in a position to inform you that the members of the Council have no objection to the request of the Government of Ireland being complied with and, accordingly, agree to the course of action set out in your report. The Chinese delegation dissociated itself from this matter."
